

KRIYA SHARIR DEPARTMENT

GOVERNMENT AYURVED MAHAVIDYALAYA,
NAGPUR

OUR VISION

- To be a center of excellence in Ayurvedic Physiology (Kriya Sharir) by imparting in-depth knowledge of Dosha, Dhatu, Mala, Agni, Srotas and Prakriti, integrating classical wisdom with modern scientific understanding, and producing competent, ethical, and research-oriented Ayurvedic physicians.

OUR MISSION

1. To provide strong conceptual clarity of Kriya Sharir based on classical Ayurvedic texts and contemporary physiological principles.
2. To encourage research and scientific validation of Ayurvedic physiological concepts.
3. To apply Kriya Sharir principles in clinical practice for disease prevention, diagnosis, and management.
