

**PANCHAKARMA**  
**DEPARTMENT**  
**GOVERNMENT AYURVED**  
**MAHAVIDYALAYA, NAGPUR**

# OUR VISION

- To establish the department as the center of excellence in patient care, academics and in field of research.
- To promote and propagate the classical panchakarma therapies globally.
- To harmonize ayurvedic practices with modern diagnostic tools and metrics to foster international acceptance.
- To integrate traditional panchakarma protocols into contemporary healthcare for comprehensive detoxification and rejuvenation.

# OUR MISSION

- To deliver quality education and cultivating research aptitude among students to strengthen the ayurvedic system through scientific validation.
- To offer authentic, specialized detoxification and rehabilitation therapies to manage chronic pain, auto-immune, neurological conditions and lifestyle diseases with dedicated OPD and IPD facilities.
- To integrate with contemporary physiotherapeutic modalities to optimize therapeutic efficacy.
