

GOVERNMENT AYURVED MAHAVIDYALAYA, NAGPUR

DEPARTMENT OF STREEROGA AND PRASUTITANTRA

OUR VISION

1. Promote Ayurvedic concepts and treatments for Gynaecological disorders like Menstrual Irregularities, PCOD, Infertility, Pre and Post-Menopausal Syndrome, etc.
2. Explore Panchakarma and Sthanik Chikitsa for various Gynaecological disorders by implementing standard operative procedures (SOP).
3. Implimentation of Government schemes and various National Programmes as laid down by the Government from time to time

OUR MISSION

1. Create competent graduates of Ayurveda by advanced teaching modalities and through clinical training.
2. Conduct quality research by exploring classical Ayurvedic Samhitas, Modern textbooks, Journal articles with thorough clinical knowledge.
3. Promote preconceptional counselling and Garbhasanskar for Supraja and to achieve good maternal health.
4. Provide quality Ayurvedic healthcare facilities to maximum people.
5. Improve women's health by various Ayurvedic remedies, Panchakarma and Sthanik chikitsa
